Conveniently located in the heart of bustling Port Pirie, St Joseph’s House provides a welcoming, homely environment for residential care of 67 residents. Having a strong connection to the local community, there is an accepting, multi-cultural warmness that gives residents from any background a sense of belonging and comfort. The Italian wing is always full of singing and laughter. Our spirit of family is expressed in many ways and one heart-warming example is having four generations of one family involved in lifestyle management, hospitality, volunteering and as a resident.

We offer this service in the true spirit of friendship.
With a celebrated history of over 50 years, St Joseph’s House is now a holistic, vibrant aged care service established by the Catholic Diocese of Port Pirie for all older people in the community.

Within a short walk of the main Port Pirie shopping centre, with its cafes, restaurants, entertainment venues and essential services, St Joseph’s House is also very near to the lush parklands of Memorial Park for residents and family outings. Port Pirie Regional Health Service and Port Pirie Hospital are only minutes away should the need arise.

**Accommodation**

St Joseph's House offers comfortable spacious rooms, either single or companion, with private ensuites, and space for personal furnishings and keepsakes.

Every room has natural light, with pleasant views.

A choice of room types enables residents to have the area and type of accommodation that meets their needs and means.

All residents' rooms also feature electronically adjustable beds, large double glazed windows, quality curtains and floor coverings, individual air conditioning, variable lighting, furniture and storage.

For availability, pricing and additional information, please contact St Joseph's House on (08) 8632 1450.
