A PEAK THROUGH THE PANTRY DOOR By Stacey Coombes, Hospitality Manager.

Welcome to April everyone.

ANZAC day is a special day and we will make lots of traditional ANZAC biscuits and pay respect to those who sacrificed for this amazing country we all live in.

If anyone has a ANZAC biscuit recipe they would like to share then bring it to the kitchen and we can use it.

Otherwise, I like the recipe from the 1981 Women's Weekly beautiful biscuits cookbook.

I am sure we have all owned one of these in the day (I am on my second one!) Still my go to book.

We would like to remind all the residents to keep your overways with minimal stuff on them.

It's hard to deliver Breakfast safely for staff if the overway is full and there is no room.

Thank you so much for understanding that we need to be safe.

Don't forget if you need to get a message to us there are forms on the tables to use to tell us if you are liking your meals and if you have any great suggestions for new meal ideas and the like. We love all the positive feedback we receive, thank you so much. If you need help filling it out please ask the helpful staff to assist you.

That's all for now see you out and about, happy April.

ACTIVITIES REPORT

Welcome to April, the month where we honour those who made sacrifices for our country on Anzac day.

We hope that you enjoyed the return of football tipping in March and fingers crossed that your tipping is going well.

A big thank you to Karen Collins for making the beautiful gifts for everyone for Easter.

We are so very fortunate as she is so incredibly talented.

In April we have the McKillop School children coming in to sing for you.

Anna will be holding a craft afternoon where an Anzac Day Wreath will be made to place down during the Dawn service at Wallaroo Town Hall.

On Anzac Day at Star of the Sea, Gaylia has been working hard to make it special, including her reading that she spends many hours choosing and Aaron the bugler will also be in to play the last post.

In April we also have Natalie returning to hold her Church Choir and Darryl and Sue returning for a singalong on the 18th April.

As always, we have our many regular activities scheduled that we all enjoy and please remember to chat to myself or one of the lifestyle team if you wish to go for a ride on the trishaw with one of our beautiful Cycling without Age volunteers.

Please remember to contact one of the activities staff if you have any needs, suggestions, or concerns, especially regarding video calls.

A "RESIDENTS" STORY

Merv Chandler

I grew up in Adelaide with my 2 sisters- Audrey and Olive.

I attended a technical school when I was 12 and at the age of 14 went to work for a joinery and carpentry company.

I was in their transport department and then went to work at Metters- while there I had a nasty injury where I caught my leg on a nail that was in the rafters.

In 1959 I went on to work for PMG where I ran their Driving School for 13-15 years.

I met to be wife Joan when I travelled to Millicent with mutual friends.

The first time we met she was wearing a dressing gown and offered to make me a coffee.

We went on to be married at the Grote St Church.

We were fortunate to have four children- Grant, Scott, Stephen and Annette.

I also undertook additional training in licensing and at one stage I had 5100 drivers on my books.

I assisted to write the traffic code book for NT and was lucky to travel extensively during this time while working for PMG. I was also on the SA Road Safety Council

In the late 60's a friend of mine brought me up to Tickera due to my love of fishing.

Joan and I purchased a shack there in 1969 and we later went on to build 2 properties in Tickera.

In 1977 I worked as a licensing examiner in Kadina.

I had been working there for 3 years when I had a motor bike accident and sadly had to retire.

In the 1980's Joan and I had a coaster bus and we use to go North for winters.

We have crossed the Nullarbor 11 times although we do love the quiet life and fishing in Tickera, especially snappering.

Joan and I had respite at Star of the Sea once before and now living here permanently.

In my spare time I also enjoyed model plain flying and model boat building. I

am also keenly interested in WWI and WWII history.

Biggest Change you have seen during your lifetime?

Not as many people wanting to get married.

What are you most proud of? My family

If you had to give one piece of advice what would it be?

Live a good life.

With Deepest Sympathy and Condolences

To the Families and Friends of the Late:

Kay Woodforde Forever in Gods Care

Star of the Sea is Praying for your peace and comfort during this time.
